

At the Alderney Market on the
Dartmouth waterfront
Saturday, December 3rd.

Mittens & Memories 2016

Supporting the
James Mattatall Memorial Award

*We'll have a wide selection of mitten sizes and colours available.
Honour the memory of James & support this worthwhile cause!*

James passed away under tragic circumstances at far too young an age in December 2011.

Family and friends of James have established a memorial award in his memory. James attended both NSCC Kingstec Campus and the Waterfront Campus in Dartmouth, graduating from the Electrical – Construction and Industrial – Certificate program in 2008.

The memorial award supports 2 deserving students each year, one at either campus.
